

# felt finger puppets

## YOU'LL NEED

Felt fabric  
Needle and thread  
Glue gun  
Scissors  
Pins  
Pen and paper

## STEP-BY-STEP INSTRUCTIONS

1. Draw and cut out basic puppet shape (cut 2 pieces, for the front and back).
2. Make the pieces large enough to wrap slightly around your finger, plus leave room along the edges for sewing or gluing pieces together later on.
3. Cut out accessories (clothing, face features, hair) from felt scraps
4. Sew or glue the accessories onto the front piece.
5. Sew or glue the accessories onto the back piece.
6. Pin the front and back pieces together.
7. Sew or glue the edges together. Remember to leave a hole at the bottom for your finger!
